

## Rough Draft: Emotive Character

What is the emotion your character will emote?

---

How will the viewer be able to tell?

---

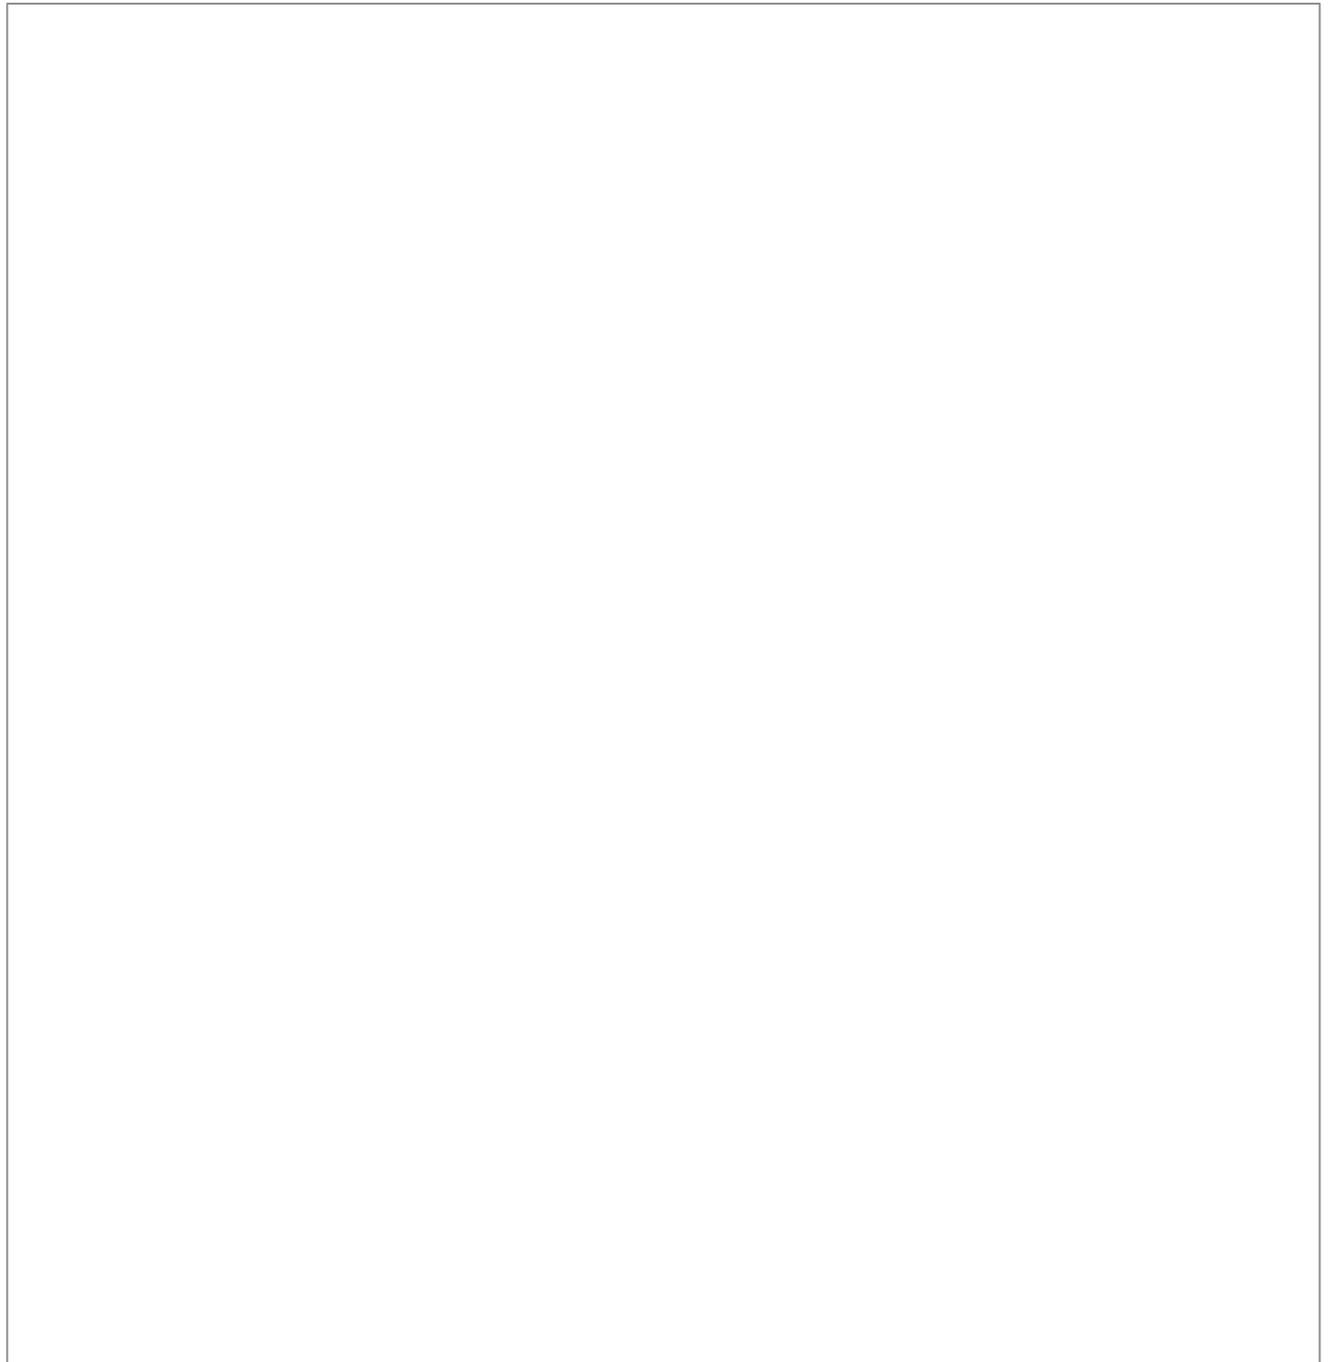

---

---

Draw a completely original idea in the box.

Your character should include the following:

- Head (separate from body) with Hair
- Emotive facial features
  - Eyes
  - Eyebrows
  - Nose
  - Mouth
  - Ears
- Torso (main body segment)
- Limbs (separate parts that get attached to body)
- Emotive body language
  - The position of the body should correspond with the emotion listed above
- Areas of Detail
- More than one color
- More than one texture
- Removable accessory

Name:

P
